

REMARKS

The Notice of Drawing Inconsistency with Specification states that Figures 12-57 are not contained in the Drawings. These Figures 12-57 were sequences that are in the Sequence Listing so they are redundant. Therefore, Applicant intended not to include them, and as is obvious in the prosecution record, the exclusion of Figures 12-57 does not represent new matter, because these sequences are in the Sequence Listing.

In view of this response, we request that the references to the figures be deleted and that the application proceed to issuance.
